Dear Phil:

Enclosed, please find a voucher for \$1,248.71 to be signed and completed with Newark Symphony Hall's Federal ID number to cover reimbursement of monies for the "Planning and Publicizing" workshop which NJSCA cosponsored with Newark Symphony Hall.

Also, I have included an itemized statement of expenses and income for said event.

It was a truly interesting joint venture and I look forward to any future involvement with you in co-sponsoring similar workshops.

The attendance, as you well know, was surprisingly high.

Again, thank you for the opportunity of working with you.

Respectfully,

Kenneth B. McClain
